

Kelly Ryoo

New York, NY | 669-271-5044 | ryoo.kellyy@gmail.com | [linkedin.com/in/kelly-ryoo](https://www.linkedin.com/in/kelly-ryoo)

EDUCATION

Cornell University, College of Arts and Sciences

May 2024

Bachelor of Arts in Computer Science, Literatures in English

GPA: 3.8/4.0 (Dean's List)

Coursework: Intro to Artificial Intelligence, Intro to Machine Learning, Language and Information, Analysis of Algorithms

EXPERIENCE

Cisco Systems

New York, NY

Software Engineer

Sep 2024 ~ Present

- Engineered an end-to-end agentic AI NL2SQL pipeline (LangGraph, LLM, Python) with custom prompt engineering to help 20K+ company sellers query business data without SQL knowledge, with automated retry and LLM-driven query correction on failure
- Built a RAG-backed context pipeline for the NL2SQL system using pgvector similarity search over a PostgreSQL knowledge base of schemas, business glossary, and example queries, with Redis for conversational memory
- Designed MCP servers and a Python REST wrapper API around Helios, an internal AI assistant

Cornell University

Ithaca, NY

Teaching Assistant

Jan to May 2024

- Supported 100+ students in CS 4300 (Language and Information); hosted weekly office hours, assessed homeworks and final projects, advised and mentored a team of students about information retrieval systems (Python) and web development

Cisco Systems

San Jose, CA

Software Engineering Intern

June 2023 ~ Aug 2023

- Analyzed lower-level forecast data and built out two machine learning models (Linear Regression, Neural Network) in Python and tensorflow to predict company-wide earnings and improve forecasting process; automated product test cases for NGF using Cucumber and Selenium, writing 26 scenarios, 11 step definitions, and 18 Java functions
-

WRITING & MEDIA

State of the Pod

Ithaca, NY

Writer and Host

Aug 2021 ~ May 2023

- Co-wrote, produced, and hosted episodes for a student-run tech and science podcast, collaborating with a team of two in a professional podcast studio
- Researched and reported on AI topics including generative art, creative authorship, and AI language and humor for a public audience

Guac Magazine

Ithaca, NY

Staff Writer

August 2022 ~ May 2024

- Wrote and revised travel and culture articles covering East Asia, Europe, and beyond through the full editorial process, from pitching to print and digital (Medium) publication

Creme de Cornell

Ithaca, NY

Editor

Jan 2022 ~ May 2024

- Edited food and cooking stories for grammar, style, and flow; worked directly with writers to develop and refine pitches in line with magazine standards

Learn Korean and Korean Culture Podcast

Remote

Creator, Host, Producer

Aug 2020 ~ Nov 2021

- Independently researched, scripted, recorded, edited, and published a podcast that grew to 90,000+ listeners across platforms, maintaining a 4.9 star-rating on Spotify with nearly 200 reviews
- Designed and coded the companion website from scratch using Figma, React, HTML, CSS, and Bootstrap ([link](#))
- Produced supplementary educational materials (vocabulary lists, resource guides) and managed all marketing and distribution

Gatty Rewind Podcast, Cornell Southeast Asia Program

Ithaca, NY

Producer

Aug 2023 ~ May 2024

- Managed end-to-end podcast production including recording, audio editing in Adobe Audition, and mic setup
 - Wrote episode descriptions and created promotional and marketing materials in Figma
 - Collaborated closely with the host to develop episode concepts and maintain consistent editorial voice
-

SKILLS & INTERESTS

Programming: Python, Java, SQL (Oracle, PostgreSQL), JavaScript, React, HTML/CSS, C, OCaml, R, LangGraph, FastAPI, REST APIs, Flask, vector search, Redis, Git, Selenium, Cucumber, Pytorch, Bootstrap, Anthropic, OpenAI, NLP, Agile, RAG, LLM

Media & Design: Adobe Audition, Adobe Lightroom, Figma, podcast production, scripting, web publishing

Interests: AI and technology policy, large language models, digital humanities, literature, social impacts of tech
